

BSSF National Championship 2017/18 Series Results

Calculation of results:

The seasons results have been calculated using the RPS formula to determine each race score according to IFSS rules. This is the formula also used to calculate World Cup points.

The best two results have been taken from the results in order to calculate the National Rankings.

Points are only awarded to BSSF members.

Class	Name	Pembrey		Thetford		Pembrey		Thetford		BEST	2nd	TOTAL	POSITION
